Cheryl Burns - Orana Far West SSDO  
[Cheryl.Burns@livebetter.org.au](mailto:Cheryl.Burns@livebetter.org.au)

## Participants will:

The workshop will assist in considering the implications of compliance and care outcomes. This session will cover important topics such as:

- Understanding regulatory requirements
- Enhancing care delivery practices.
- Improving documentation and reporting
- Enhancing communications skills
- Encouraging continuous improvement
- Promoting client centred care
- Awareness of risk management and incident reporting
- Measuring and monitoring care outcomes

## Target Audience:

CHSP providers.
